## Tentative Digital Channel Designations for Stations Participating in the First and Second Rounds of the DTV Channel Election Process

In the *Second DTV Periodic Review Report and Order*,<sup>1</sup> the Commission adopted a multi-step channel election process for full-service television broadcast licensees and permittees (hereinafter “licensees”) to select their ultimate DTV channel inside the core TV spectrum (*i.e.*, channels 2-51). In the *Round Two Public Notice*, we stated that “[w]e intend to release a consolidated list of tentative channel designations [TCDs] in the near future.”<sup>2</sup> Attachment I hereto provides a comprehensive list, including call sign, facility ID number, and tentative DTV channel designation, of the 1,789 licensees that received TCDs in the First and Second Rounds.<sup>3</sup>
